Details

Nationality

Syrian

Date of birth

08/07/2006

Profile

A dedicated Computer Science student at the Arab Open University, I thrive on the intersection of logic and creativity. My journey in programming began with curiosity and has evolved into a burning passion. With a solid foundation in Java development and a flair for web development, I am eager to contribute innovative solutions to real-world challenges.

Education

Open University

Bachelor's in Computer Science

(Expected Graduation: 2028)

Abdulrahman bin Al Qasim High School

Graduated with high honours in both the ("General Path" and the "Engineering and Computer Science Path")

(June 2024)
